APPLICATION

Megha Technologies, Inc. (“MEGHA TECHNOLOGIES” or “Applicant”), hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214 (1982), and Section 63.18 of the Federal Communications Commission's (“Commission”) Rules, 47 C.F.R. § 63.18, to provide global or limited facilities-based and resale authority between the United States and international points, except those international points not authorized by the Commission (the “Application”). MEGHA TECHNOLOGIES is a U.S. company organized to provide international telecommunications services. MEGHA TECHNOLOGIES has no foreign affiliations. MEGHA TECHNOLOGIES serves residential and business customers throughout the United States. By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to MEGHA TECHNOLOGIES.
